Dear Food Scientists, Food Technologists and Food Engineers,

The 19th World Congress of Food Science and Technology is being held in India for the very first time. The Congress offers an intellectual forum to deliberate all facets of food science & technology. The congress is HOSTED by The International Union of Food Science and Technology (IUFOST) and Indian National Science Academy (INSA) and Organised by MM ACTIV Sci Tech Comm. Ltd. It is chaired by Dr. Vish Prakash, an internationally acclaimed Food Scientist and Technologist.

Students, Young & Experienced Faculty have a great opportunity to participate in the **Poster** and **Oral Presentations** at the forthcoming IUFOST 2018 India Congress and interact with Global Scientific Fraternity in diverse facets of Food Science and Technology.

In fact, it is a golden opportunity for the 'Prospective Participants' to meet leading personalities of research institutions, academia and industries in knowing the advancements and contemporary issues in Food Science & Technology as well as establish communication channels in updating your knowledge and networking. *Major subject themes of both Poster and Oral presentations are listed below:*

- ❖ Nutritionals, Nutraceuticals and Functional Foods
- ❖ Food Engineering
- ❖ Traditional, Indigenous and Ethnic Foods
- ❖ Food Chain Logistics and Food Packaging
